National Encampment notes

The Sons of Union Veterans of the Civil War National Encampment held in Lansing, Michigan from August 10-13, 2017, was attended by Department of the Southwest Commander David Swanson. The total of delegates and alternates nationwide was 199. The Auxiliary to the Sons of Union Veterans of the Civil War and the Ladies of the Grand Army of the Republic both held their 131st Annual Encampments at the same time and location.

It had been many years since I attended a National Encampment and this one was first rate. The Department of Michigan really went all out and it showed.

After checking in on Thursday Jan and I took a guided tour to Michigan's GAR Memorial Hall and Museum located in Eaton Rapids, MI and the renovated GAR hall was very impressive as described in its website: "The museum is the only one in Michigan exclusively dedicated to the memory of the Union Veterans of the Civil War and the fraternal organization they founded and participated in. The museum is located in the actual building the veterans used, which is just a block away from GAR Island Park where our Civil War veterans held summer encampments for many years."

The Brainerd Post 111 G.A.R. used the building from 1886 through 1929 when it disbanded. Below is a picture of the renovated meeting room as found on <http://suvcwmi.org/2017NatEncampment/attractions/cw/migarmuseum.php>

After a nice lunch we continued on to Michigan State History Museum in Lansing which houses a rotating display of actual Civil War battle flags in its Michigan Battle Flag Collection.

On Friday the work began after the opening and memorial service. The business meeting lasted on Friday and Saturday and much was accomplished by the delegates in attendance. One of the more spirited debates was regarding the SUVCW stance on confederate monuments and its battle flag. (The final resolution was sent to the Department of the Southwest Brothers after my return from the encampment.) It was very interesting to observe and be a part of the inner workings of our grand Order.

On Friday evening we attended the "Campfire" the object of which is to "grill" the outgoing C-in-C (in this case Don Martin—pictured below) with various recaps of his service and parting gifts—mostly in a very light-hearted manor.

CinC Donald Martin (L) being congratulated by David Swanson

On Friday, after wrapping up business old and new, the elections took place for our national officers.

Some of the officers elected for 2017-2018 were: Mark R. Day, Commander-in-Chief; Donald W. Shaw, Senior Vice Commander-in-Chief; Edward J. Norris, Junior Vice Commander-in-Chief; Jonathan C. Davis,

National Secretary; and David McReynolds, National Treasurer.

The amount of dedication all of the national officers have given to the SUVCW s truly impressive. We can certainly be proud of our Order’s past and its direction forward.

The 2018 National Encampment of the Allied Orders of the Grand Army of the Republic information: August 9-12, 2018, at the Sheraton in Framingham, Massachusetts (21 miles west of Boston). There will be plenty of tours to take in and around Boston so here is your chance to visit some Revolutionary War sites and attend the SUVCW Encampment—all in one swoop!

Department of the Southwest 2nd Annual Encampment

It’s not too early to plan on attending our 2nd Annual Encampment to be held in Scottsdale, at the Orange Tree Resort, 10601 N. 56th Street on Saturday, March 10, 2018, between 9:00 a.m. and 2:00 p.m.

The Elks Lodge we used last year had a substantial price increase for 2018, so we moved it to the Orange Tree Resort. This is a very nice facility and it has a great meeting room for us. The cost is the same as last year, \$25 per person which includes lunch and the facility.

Commander-in-Chief Mark Day unfortunately will not be in attendance but we are fortunate to have our old friend Past CinC Tad Campbell attend in his place.

More information will be in the January 2018 newsletter and other mailings. I sincerely hope that you attend the meeting. You do not have to be an officer or a delegate as this is our only annual meeting and all Brothers and wives are more than welcome. Also invited are the Picacho Peak Auxiliary and the Sisters of the Margaret Warner Wood Tent No. 1, Daughters of Union Veterans of the Civil War.

Speaking of the 2018 Encampment, **if you want to join the Department officer ranks** we can use you—and the Camps can use you as well! Please contact any Camp or Department officer and let him know.

Please mark your calendars!

2018 annual dues are now . . . due

Brothers 2018 annual dues should be received by the respective Camp secretary/treasurers by December 31, 2017. The annual dues are the same for all three Camps and the breakdown is contained in the dues notice on the last page of this newsletter.

Last year we had good participation but still had some problems with Brothers not getting them in on time.

Please make help make our secretary/treasurer’s lives a little easier by submitting them . . . now. Don’t wait for the bounty hunter to knock at your door; it’s embarrassing and a needless Camp expense.

Benjamin F. Stephenson Memorial

The following are excerpts from a recent communication from CinC Mark Day:

“Many of you are aware of the Department of Illinois efforts to establish a memorial plaza at the grave of Dr. Stephenson, the founder of the Grand Army of the Republic in Petersburg, Ill.

“I stopped by the grave site and had the chance to see the improvements that have been made. To say that the improvements were impressive would be an understatement. The beautiful Italian marble benches, each reflecting the emblems of one of the Allied Orders, are spectacular and the newly installed paving stones that will ultimately surround the obelisk, marking Dr. Stephenson’s grave, give evidence to the beautiful setting that will be created; making the plaza a lasting and powerful testimony to the Allied Orders fulfillment of their joint goal to preserve and honor the memory of the Grand Army of the Republic and those who sacrificed so much to preserve our nation.

It is my heartfelt desire to see the memorial plaza completed and available for all to see and to provide a tangible symbol for educating the public about the Grand Army. To that end, I am asking that each camp and department consider donating to this project so that the memorial plaza can be completed in the coming year. As an incentive, I will provide an appropriate certificate to any camp that donates at least \$100 and an appropriate streamer to any department that has at least 75% of its camps donate at least \$100.00.”

All three Camps: Picacho Peak Camp No.1, Gen. R. H. G. Minty Camp No. 2, and the Gen. U. S. Grant Camp No.3 voted to send \$100 each to this project and the Department will send in \$200 for a grand total of \$500!

And as a further note, in 2015 Picacho Peak as a Camp-at-Large (pre Department of Southwest days) sent in a donation for \$400 answering the national request for donations of then CinC Tad Campbell.

Union Memorial Project

By Brother Jeff Burgess—Memorial Committee Chairman

During the summer, our Department of the Southwest brothers reviewed six different proposed memorial designs and voted online for their favorite. [Design #6](#) won, collecting more than 40% of the total vote. Brother George White, its designer, subsequently began looking for a builder, and after finding one, learned that the design may need some modifications in order to solve some installation and maintenance issues.

At the Picacho Peak Camp officers meeting on 9/23, Brother John Conrad announced that he had personally donated \$1,000 towards the monument project, and other sources of funding were discussed with much optimism.

On 10/11 Brother Jeff Burgess met with a staff member of state Senator Sean Bowie, who had previously promised to introduce a bill during the 2018 legislative session to authorize the construction of the memorial on the Wesley Bolin Memorial Plaza at the state capitol. Brother Burgess requested a meeting between Sen. Bowie and our monument subcommittee this fall in order to draft the bill's language so that it will be ready to be submitted at the beginning of next year's session. He received a positive response, but was reminded by the staff person that Sen. Bowie belongs to the minority party in the state legislature, so we all need to work on cultivating some support for the memorial among Republican legislators. Hopefully, a draft of the memorial authorization bill can be posted to our website this fall to help in the effort to promote it.

(Department Commander's note: During the General U. S. Grant Camp No. 3 meeting on October 22nd, Brother Bob Archibald indicated that he will be matching Brother Conrad's \$1000 donation—and in fact he has. I sincerely thank each of you for your generous donations!)

Department Graves Registration Officer Report—

As the time that this report was prepared the Sons of Union Veterans of the Civil War database returned entries for 644 burials in Arizona and 731 burials in New Mexico. The database returned three entries for volunteers who served Arizona Territory and 360 entries for volunteers who served New Mexico Territory.

For the period from the last Encampment of the Department of the Southwest I have submitted 47 entries to the database.

One Hundred three (103) PowerPoint slides have been built for ancestors and for family members of ancestors of members of the Department of the Southwest. Upon entering the park from the east, this Walk will have exhibits recognizing those who served in America's wars beginning with the Revolutionary War through the Korean War. The path continues south to the highlight of the park, the Vietnam Wall Memorial. The Wall serves as a reminder to welcome home the

58,307 souls to Arizona who never received that welcome. There are areas for future exhibits dedicated to those serving post-Vietnam, including the Enduring Freedom efforts in Afghanistan and Iraq. . . “ More information can be found below: <http://www.operationwelcomehomeaz.com/>

A Call to Action for All Loyal Women of the North – Then and Now

‘To Perpetuate the memories of our Fathers and the flag they fought so gallantly to save’

With the outbreak of war in 1861, women and men alike eagerly volunteered to fight for the cause.

Women organized ladies' aid societies in every town and borough from New England to the smallest outpost and rural area of the West. They supplied the Union troops with everything they needed, from food that they baked and canned from fruit and vegetables taken from gardens they planted. They rolled bandages, knitted socks and gloves. They sewed and laundered uniforms, mended blankets, embroidered quilts and pillowcases. They organized door-to-door fundraising campaigns, county fairs and performances of all kinds to raise money for medical supplies and other necessities. Millions of dollars were raised and thousands of lives saved through the work of the patriotic, loyal women of the North.

Ladies' aid societies worked steadily throughout the Civil War. Their work did not end when peace was declared. It was just beginning. There were maimed and invalid veterans to care for, orphans who cried for bread; hundreds of women in widows' weeds that needed assistance. Homes had to be provided for hundreds who had no loved ones to look after them and the work of the loyal women of America continued.... The need for an Auxiliary was soon recognized by Major Augustus P. Davis, founder of the SUVCW. Through his efforts, the first Ladies Aid Society was organized at Philadelphia in 1883. The following year it was officially recognized as their Auxiliary.

Ladies Aid Societies were formed in several states in rapid succession. The first National Encampment was held in Akron, Ohio in September 1887. In 1904 at the National Encampment in Boston the name was changed to "Sons of Veterans' Auxiliary", with it eventually becoming known as the Auxiliary to Sons of Union Veterans of the Civil War.

Auxiliary of Picacho Peak Camp #1 was chartered on August 23, 2014 and was the first (and only) Auxiliary in Arizona. We currently have 15 members.

This is a call for action for all wives and daughters to become involved and help the Auxiliary continue the work of the "loyal women of the America."

The Auxiliary would love to have you become a member, but you don't have to become a member to contribute to the Camp and Auxiliary projects. We appreciate that some of you belong to craft and scrapbooking clubs. The Auxiliary has projects listed below that could be done by a group and which would be greatly appreciated by veterans and military families.

• A military base in Japan that is asking for coupons for families there and in Guam. Needed - coupons for diapers all sizes. Email me (vgrif@cox.net) for

instructions if you or your group would like to clip coupons for the military.

• Birthday and greeting cards for all holidays for the Carl Hayden VA home. Handmade cards are especially appreciated. You may include a personal greeting or just sign them from Camp Picacho Peak Auxiliary #1. Bring them or send them to the Camp meetings and we will deliver them. The home is an on-going joint project of the Auxiliary and Margaret Warner Wood. —Verna Maleski, President, Auxiliary of Picacho Peak Camp #1

Upcoming Events

Our next meeting will take place on November 4, 2017, and will begin promptly at **10:30 a.m.** Location: Deer Valley Airport Restaurant, 702 W. Deer Valley Road, Phoenix.

All Sisters of the Auxiliary are strongly encouraged to attend this and all of our meetings. Please mark your calendar!

A note to the Brothers of the Department of the Southwest about the Picacho Peak Auxiliary

Brothers, membership in the Auxiliary is open not only to women who have a demonstrated lineage to a Union Civil War ancestor but also to *the wife of a member of the Sons of Union Veterans of the Civil War*—your wife! Talk to her about this wonderful organization and see if she wants to get involved.

Thanks!

Approaching the 130th Anniversary of the Department of Arizona Grand Army of the Republic

By David A. Swanson, DC and Department G.A.R. Officer

Well, we are *approaching* the 130th anniversary of the Department of Arizona G. A. R., but first what led up to the Department's permanent organization?

On September 10, 1887, six Posts of the Grand Army of the Republic, Department of California, located in the territory of Arizona, were transferred to the provisional Department of Arizona and on January 17, 1888, the permanent Grand Army of the Republic Department of Arizona became official

A short history of the Posts that were transferred (Posts 1-6) and of those which were subsequently established by the Department of Arizona (Posts 7-11) is contained in an undated "MEMORANDUM BY CARL HAYDEN REGARDING RECORDS OF THE GRAND ARMY OF THE REPUBLIC." [Hayden was a long-time Arizona Congressional Representative and Senator.] This memorandum, housed in the library of the Arizona Historical Society at Tucson, contains information about each Post and was written "in hope that the members of the AMERICAN LEGION in Arizona will become interested in the location and preservation of the original records of another organization of men, who likewise served their country in time of war."

In a response to Carl Hayden's request for the American Legion to preserve the records of the GAR Posts, the Adjutant General of the Army stated in part: "May I suggest that a committee be appointed by each Post of the American Legion, located in a city or town where there was also a Grand Army Post, to make a diligent search for these old records. If found, Photostatted or other copies should be deposited with the Arizona Pioneers Historical Society and at other places where the original sources of Arizona history are being preserved."

The memorandum contains an invaluable early history of the Posts. (The memorandum has Department of Arizona Post numbers in parenthesis.)
